

Saint Kevin Religious Education Program

VOLUNTEER FORM

We Appreciate Your Time, Talent and Treasure!

Teachers and Helpers are needed at all Grade Levels. Students cannot be placed unless a teacher is available. Please consider this very important and special ministry. The classes are small and we will give you all the necessary support and help. Don't think only "trained teachers" need offer. What is needed is love of God and His children. Please fill out the form and return as soon as possible. Catechists are exempt from religious education fees for all children enrolled in our program.

In my role as a teacher in the Religious Formation Program I am aware that I am a role model and an example for the children I teach. Understanding that the Eucharist and attendance at weekly Mass is the center of our faith, my attendance at weekly Mass is part of my own Faith Formation as well as an example for the children I teach.
